

Master Trainers' Alliance partners in SECC 2011 Capacity Building Process and on ground support

The Socio- Economic & Caste Census of India is being jointly conducted by the Ministries of Rural Development and Housing & Urban Poverty Alleviation with the Office of the Registrar General of India from June 2011. Though poverty surveys have been done periodically by the Ministry of Rural Development, they have been standalone exercises. This is a massive exercise involving about 700,000 functionaries who will function as enumerators - and it is vital that each of these individuals has a clear understanding of the critical features of the census and the knowledge and skills to undertake a complex and sensitive survey and effectively perform the tasks assigned to them. Training and capacity building of these functionaries become of utmost importance.

The training strategy is more or less the same as followed for Census 2011 by ORGI. The activity with support from UNDP and other UN Agencies will be carried out by the Master Trainers' Alliance that partnered the ORGI in the training and capacity building activities under the National Census 2011.

The Master Trainers' Alliance consists of six Regional NGOs who together with their respective State Partner Organizations will carry out the SECC training in partnership with the state departments of Rural Development, Urban Development and Poverty Alleviation and the Census Commissioners. The Alliance partners are working very closely with the Governments of their respective states as well as various other development agencies.

The CORE GROUP of the Alliance is comprised of NESPYM, CINI, DEVNET, TAARA Consultants, SPARSH and MSSS. The members of the CORE GROUP are also the coordinating agencies in the Regions. The list of Regional Agencies and State Partner Organizations are attached as **Annexure 2** and **3** respectively.

The Alliance has been entrusted with the responsibility of the following:

1. Based on the manuals that the ministries have already developed, guidebooks for trainers along with the training kits to be prepared for three levels of training
2. Training of 80 Master Trainer Facilitators (all from the National Alliance of Master Trainer) who will, in teams, fan out to all the states to join the state government trainer teams to carry out training of the enumerators in each state. The total support days to be 30 days from each Trainer. The list of trained National Trainers is in **Annexure 5**.

3. Support during training of 700,000 enumerators who conduct the actual enumeration.
4. Support during Enumeration at the field level and as call center over mobile.
5. Assign one Regional Coordinator for each region to monitor the progress of the concerned states and ensure effective delivery of services from the Alliance part. The list of Regional Coordinators is attached as **Annexure 2**
6. All the states have been assigned State facilitators to facilitate dialoguing process with the concerned departments and monitor the activities of Alliance National Trainers. The details of State level facilitators can be found in **Annexure 3**

The circular issued by the MoRD is available on the http://rural.nic.in/sites/downloads/general/MTF_SECC15112011.pdf and is attached below as Annexure 1

CHIEF ECONOMIC ADVISER

GOVERNMENT OF INDIA

MINISTRY OF RURAL DEVELOPMENT

DEPTT. OF RURAL DEVELOPMENT

KRISHI BHAWAN, NEW DELHI-110001

Dated the 14th November, 2011.

D.O. No. Q-12018/01/2011-A1(RD)(PL)

Dear

This is in continuation of my earlier D.O. letter of even number dated 2nd November, 2011 regarding deputation of expert Master Trainer Facilitators (MTF) from Trainers Alliance to assist the State Government in training of their Master Trainers and also provide the requisite support in the field during the time of enumeration for SECC, 2011.

The MTFs, Regional Coordinators and the State facilitators of Trainers Alliance have been provided intensive training in Delhi and are now ready to work in the States. The personnel who have been allotted to your State is given in the enclosure. They have been instructed to report to you for necessary directions. You may like to depute them to the districts/enumeration blocks as per the State's requirement.

To enable the trainers to function more efficiently, it is requested that the following may be kindly provided to them:

- (i) Tablet PCs to be made available so that they can support and guide the enumerators at the field level on the use of the device. Once the training is over, the Tablet PCs will be returned back to the State.
- (ii) To facilitate as far as possible, finding of safe and reasonable accommodation facilities at the District/Block level during the course of their stay.
- (iii) The list of names and contact details of concerned Nodal Officers at the district/block level in the State.
- (iv) To share the schedule of Master Trainer and enumerator's training in the State as well as actual enumeration dates and
- (v) Issue Identity Cards for the Trainers.

It is once again requested that State government may provide due support to the MTFs and associate them in the training process and field so that they can contribute effectively to the SECC in the State.

With regards,

Yours sincerely,

(Manjula Krishnan)

Encl: As above.

To

Secretary (RD)/Panchayati Raj (of all States/UTs)

Contd./2...
